

ALL ABOUT CARING PROJECT CORPORATE PARTNERS

Providing, Promoting, and Finding Purpose in our Youth

ALL ABOUT CARING PROJECT, INC,

All about Caring Project, Inc. (AACP) is a new and upcoming nonprofit organization that's located in the DMV area. Our mission is to help students with ongoing support and services by promoting continuing education and providing an array of needs to the youth in our community.

AACP was founded by Chante' Bender a native Washingtonian who saw the need to help both students and parents when facing financial burden while attending college. Chante 'created a unique idea to provide care packages to college students while attending and living on campus. AACP took it a step further and started to provide mentorship to make sure that college students have a smooth transition from high school to college.

Three years later AACP has a wonderful Board of Directors which includes 9 powerful women who main goal is to "Provide, Promote, and Find Purpose and our Youth. Summer "2014" the lovely ladies of AACP will kick off our "Legacy Builder Campaign" which focuses on helping our youth to start working towards leaving a positive legacy behind. AACP is so excited about helping and pushing the youth in the community to start walking in their purpose.

Supporting All About Caring Project, Inc. will be a wonderful financial investment. Although we are small in numbers your investment will have a major impact with our Care Package Scholarship and Legacy Builder Campaign. Support us, Share us, and Promote us.

WHY PARTNER WITH US

Only 4 out of 10 youth who enter 9th grade in Wards 7 and

8 will graduate, and the majority of students who drop out will do so before the 10th grade. Currently, of those who graduate, just 1 out of 20 will obtain a college degree within 5 years. *All About Caring Project Inc.* with the *Legacy Builder Campaign* seeks to raise awareness and strengthen our community by encouraging our youth to dream big and making it possible for them their dreams to become a reality, by supporting their academic endeavors. I am inviting you to become a local partner and join us in this effort, by supporting their academic endeavors.

CARE PACKAGE SCHOLARSHIP

All About Caring Project, Inc. provides care packages to graduating high school seniors who will attend college in the fall. The selected students will receive 4 care packages throughout their freshman year, which will

includes: dorm necessities, personal care products, microwaveable food, and favorite snacks.

SPONSOR A STUDENT

The student will receive a care package August, October, January and March by the 5th of that month.

- \$200x2= (August and January) for the big package which includes, bedding, food, snack, and hygiene products.
- \$150x2= (October and March) and for the small package will

All About Caring Project, Inc. works hard to provide our youth with life changing opportunities. Our passion to pour into our youth requires help from Businesses and organizations to build a better platform for our community. We are currently looking for sponsors to donate to our Care package scholarship and Legacy Builder Campaign. We also invite you to become an All About Caring Project Corporate Partner, and together we can Provide, Promote and Find Purpose in Our Youth.
